About us

"ME KOU TOOT I KA LA - WITH YOUR FACE IN THESUN"

LIFE AT MAKAI

What does "MAKAI" actually mean? MAKAI is Hawaiian for "towards the sea", and that's no coincidence. MAKAI started five years ago as a kitesurfing school.
Since then, we have grown significantly and have had the pleasure ofwelcoming you to our restaurant and terrace. However, one thing has remained unchanged: our love for the sea. And that's alove-we're eager to share with you-whether through a kitesurfing lesson or one of our delicious dishes. Sit back, relax, and enjoy the sea and the beach. This is "life at MAKAI"

SUMMER

Warm temperatures, sun on your face, and your feet in the sand. Maybe you just got out of the water after a SUP session or finished your kitesurfinglesson. What a heat!
MAKAI has plenty of options to cool you down! Craving an ice-cold draft beer, a fine glass of wine, or maybe a cocktail? Anything is possible!
Drift away in the afternoon sun, and before you kjnow it, evening has arrived. Let yourself be surprised by our fresh, summery dishes to make your night complete!

WINTER

It's winter, and you've just finished a refreshing walk or taken an icy dip in the sea. By now, we've transformed our restaurant in a cozy living room where you can sink into a seat, just like at home, after a warm, relaxing shower and enjoy culinary dishes and fine wines. We hear you thinking: a shower? Absolutely! Our warm showers flow generously for anyone brave enough to face the sea on these cold days and become part of the MAKAI family.
